      - This is a reminder that all courses with optional or required field trips must add basic trip information to the Time Schedule BEFORE MAY 8 registration.
If your course has a field trip (or hopes to, pandemic pending!), please email the following Minimum information to essadv@uw.edu:

- course number
- specify if field trip is optional or required
- location(s)
- date(s)
- Note: if the dates are TBA depending on weather, list the possible dates (e.g., "one Saturday between October 10 and November 14, dependent on ice conditions").
- As an example, I just added the following for ESS 211 optional field trip. I provided some extra info since many 211 students have never been on a field trip or gone camping before, and/or are worried about cost.
