3. Reports and Business
   • Curriculum (Gorman-Lewis) - Nothing to report.
   • Undergraduate Program (Roe) - Nothing to report.
   • Graduate Program (Creager) – Graduate Student Activity Reports are due NOW. If the faculty advisor hasn’t approved them, they’ll be receiving an email prompt. If they don’t receive any email, everything is fine.

4. Standing Committees
   • Admissions (Buick) – Nothing to report.
   • Computing (Harnett) – Nothing to report.
   • MESSAge (Crider) – MESSAge student capstone projects have been completed and presented.
   • Oversight (Brown/McCarthy) – Total RCR projected allocations and expenditures were consistent with previous years. Expenditures include spending on payroll, startup funds, RA support, technology fees, facilities, office supplies, graduate recruitment bonuses, open house, etc. For full details see Mike Brown or Sue Bernhardt.
Kate Huntington asked about getting rid of our existing phones to reduce costs, but this is no longer a viable option since UWIT now uses department head count rather than physical phone lines to determine monthly charges.

- **Prelim** (Schmidt/Steig) – Nothing to report.
- **Promotion, Reappointment & Merit** (Holzworth/Catling) – Will discuss in Executive Session
- **Scholarships, Fellowships, and Awards** (Bergantz) – Nothing to report.
- **College Council Representation** (Waddington) – In response to the Provost’s request, budget planning continues to dominate discussions, and the College Council has completed a document advising the Dean on our views as to how budget decisions should be approached by the units with the College where the numbers will ultimately be crunched. The CoENV report still needs to be vetted by the Council before sending to the Provost. On May 18 a meeting was held with the Provost, the College Council, and unit Chairs/Directors. The Provost praised the Council’s forward planning view relative to other colleges, but was indefinite in his responses to specific questions.
